----x-----

In G.O.No.2841 Development Department dated 5-7-52, Government sanctioned the conversion of the Malpe Fisheries Middle School into a high School and the opening of form IV during 1952-53. One post of Senior Kanada Pandith on the scale of pay of Rs.60-4-100 was also sanctioned in the same G.O. The post was filled up on 16-8-52.

Subsequently forms V & VI were opened and the Malpe Fisheries high school has become a complete High School in the year 1954.

In G.O.Ms.No.4025 Development Department dated 17-9-52 Government revised the scale of pay of the Malayalam/and Hindi Pandits employed in the Madapally Technical High School so as to allow them a scale of Rs.85-5-125-6-140 under the conditions laid down therein. The Kanada Pandit employed in that Malpe Fisheries High School possess the required qualifications mentioned in the G.O. and has teaching work in form IV to VI for 18 hours 40 minutes a week. Under the above circumstances I request that sanction may kindly be accorded for the revision of scale of pay of Kannada Pandit at the Malpe Fisheries High School as was done in the case of Malayalam Pandit in the Madapalli High School. The revision of scale of pay may be ordered to take effect from 16-8-52 when the post was filled up but arrears may be paid to the incumbent only from the date of G.O. ordering the revision.

I am to invite a reference to G.O.Ms.2454 Agri. dated 17-10-1955, on the subject noted above. It has been ordered there that the Kannada Pandit will be eligible for the revised scale of pay only if he has work in forms IV to VI for not less than 17 hours per week. and that he will be allowed the old scale otherwise. This condition contemplates the simultaneous existence of two rates of pay for the Government servant and increments have to be worked out from time to time separately for the two scales Such a position is not countenanced by the Fundamental rules and there is no precedent for such a case. It is therefore requested that Government may kindly consider whether the Government servant should not be given a special pay for the work instead of a revised scale for the same.post.

=====

The Accountant General in his letter No. DA. XIX - Agri. IX 498 dated 12-12-55 to Government has pointed out that the revision of scales ordered in G.O. No.2454 Agriculture dated 17-10-55 allows the existance of two rates of pay simultaneously for one post which is not countenanced by Fundamental Rules. He has also stated that there is no precedent of this kind and therefore suggests the grant of special pay instead of the revised scales. I submit the following remarks in the matter.

2 The scales of pay are fixed normally with reference to qualifications required for and the responsibilities attached to a post. The conditions as to hours of work does not seem to be necessary.

3 A reference is invited to G.O. Ms.No.4025, Development dated 17-9-52 also in which the scales of pay of Malayalam and Hindi Pandits in the Fisheries High School at Madapalli were revised attaching a similar condition as to hours of work as in the present case. Therefore, the condition of hours of work stipulated in para 1 of G.O. No.2454, Agriculture dated 17-10-55 is not a new one. Though the existence of such a condition is in vogue, to avoid any audit difficulties as mentioned by the Accountant General, I submit the following for consideration.

4 In a full fledged High school such Pandits will have more than 17 hours work in a week (more than 3½ hours per day) in forms IV to VIth. Therefore I suggest that this condition as to hours of work is not necessary. This may be deletted in G.O. No.2454, Agriculture dated 17-10-55 and in G.O. No.4025, Development dated 17-9-52. The revised scales may be also made applicable only to full fledged high schools to enable that the teachers (Pandits) will have the necessary hours of work.

To A.S.

In G.O.Ms.No.4025, Development, d/17-9-52, the Govt.have revised, inter alia, the scale of pay of Malayalam Pandits employed in the Fisheries Technical High School, Madapalli, Malabar Dt., so as to be on a par with the scale of pay of similar posts in the Education Dept. According to this G.O., the revised scale of pay of Malayalam Pandit in that school is Rs.85--5-125-10-175 for those who have completed S.S.L.C. and possess an oriental title and pandits' or secondary grade training and Rs.65-5-130 for those who possess an oriental title only. It has also been specified in that order that the Pandits will be eligible for the revised scales of pay only if they have worked completely in Forms IV to VI for not less than 17 hours per week and if not, they will be allowed pay in the scale ofRs.45-3-60-2-90 only.

2. The D.I.& C.has stated that the scale of pay of Kannada Pandit in the Fisheries High School at Malpe as per G.O.No.2841, Dev., d/5-7-52 is Rs.60-4-100 and that the pandit may be allowed the scale of Rs. Rs.85-5-125-10-175 as he possesses the required qualifications for that scale. The D.I.& C. has also recommended that the revision may take effect from 16-8-52, i.e., the date on which the post was filled up and the incumbent allowed arrears of pay only from the date of the G.O.ordering the revision.

3. The following table compares the qualifications prescribed for ~~Degrade~~ pandits in the Madras Educational Subordinate Service who are eligible for a scale of

He has therefore suggested that the Kannada Pandit may be given a special pay for the work instead of a revised scale for the same post. The Addl. D.I.& C. was consulted. The reply received from the Addl.Director on p.7 c.f. is submitted for perusal He has pointed out that the scale of pay is fixed normally with reference to qualifications required for and the responsibilities attached to a post. As in full-fledged High School like those at Madapalli and Malpe ~~xxxxxx~~ the ~~Kannada~~ language Pandits will have more than 17 hours work in a week, the D.I.&C. has suggested that the condition stipulated in G.O.No.2454, Agri., d/17-10-55 and G.O.No.4025, Dev.,d/17-9-52 relating to the hours of work of Kannada Pandits in the Fisheries High Schools at Malpe and Madapalli respectively may be deleted.The D.I.& C.'s proposal may perhaps

be agreed to. The draft memo below is for approval. H.E.L.A. and Fin. may see before issue.
